Subject: RE: TV commercial I saw

Not only the words, but also the background music is positive and upbeat. The images are of multigenerational family members, happy and safe.

Much of the ad's message is subliminal.

Subject: Re: Two-mile fault stretching from Irving to West Dallas at center of recent earthquake swarm - Dallas Morning News

Boy was the meeting this morning timely! Thanks Dave, with your well planned (organized) meeting this all looks familiar.
